**Please order your Transfers latest 3-5 Days before.** The best is by **e-mail**, Fax or Telephone. If you do not find the driver please call the mobile number in the top of this letter. Do NOT order your Transfers directly at the Driver or over the Transport-Company, because later it gives Problems with unpunctuality's and differences. Please order the Transfers ONLY over the Club-Central, see the Telephone-numbers and the e-mail address in the top of this Paper, because we try to do Family's together, so the Price is going down and it is better for our earth, as we need not so much Patrol. Did you give us your e-mail-address? or your Mobil number ? If not please do this, because you are helping the Club to spare costs and the activities function better by reason of better communication. Thanks a lot.
